

UL, a global leading quality assurance service provider in the consumer products industry is a Notified Body on toys by the GCC Standards Organization (GSO) to test and certify products for the Gulf Mark (G Mark) scheme.

GSO Toy Technical Regulation - BD 131704-01 is required to demonstrate the compliance for toys marketed, distributed and sold in the following GSO countries and mandatory to meet all requirements under this Regulation:

- Bahrain
- Saudi Arabia
- Kuwait
- United Arab Emirates
- Oman
- Yemen
- Qatar

Toys import to GSO are required but not limited to comply with the following requirements:

- Toy Technical Regulation - BD131704-01
- Marking & Labelling
- Safety Assessment
- Technical Documents Review
- Conformity Declaration Review
- G Mark Registration
- GCTS (GSO Conformity Tracking Symbol)

As a GSO notified body, UL can provide full service and solution to fulfill GSO requirement, marking and tracking symbol.
