

**William “Mike” Haller**

*Mike Haller is the Technical Manager for UL Everclean. He oversees the Technical Food Safety Team as well as Client Technical Programs.*

*Mike served as a Program Manager for the Orange County Environmental Health’s Food & Pool Safety Program in California where he oversaw a team of 105 field inspectors and 12 supervisors for the past 12 years of his 25 year career with Orange County. His duties also included overseeing the Illness Prevention Section, Housing & Institutions and the Lead Program.*

*Mike participated as a steering committee member for the Waste Not OC coalition team, a team committed to ending food hunger and insecurity in Orange County. Additionally, he was the Chair for the California Retail Food Safety Coalition and a Coordinator for an emergency response team assigned to the San Onofre Nuclear Generating Station (SONGS).*

*Mike also is an adjunct instructor at two California State Universities, San Bernardino & Fullerton teaching food safety related courses.*
