

Michael Shafer

Mike is a food safety and environmental health professional with more than 24 years of experience. As a Senior Technical Consultant for UL Everclean, Mike serves as a food safety expert and account manager for several top partners.

Mike has worked with UL Everclean since 2006 and has an undergraduate degree in Biology, an MBA and is a registered environmental health specialist (REHS) with the National Environmental Health Association (NEHA).

He previously worked for the FDA as a Consumer Safety Officer, the State of Nevada Dairy Commission as a Milk and Dairy Specialist and Maricopa County in Phoenix Arizona as a field inspector, Quality Assurance Specialist and Foodborne Illness Program Coordinator prior to joining UL Everclean.
